

**Dr. Seung-Ho Kang, Associate Professor,**

Department of Applied Statistics, Yonsei University  
262 Seongsanno, Seodaemun-gu, Seoul 120-749 Korea  
E-mail: seungho@yonsei . ac. kr

**Seung-Ho Kang** earned his Ph.D. degree in statistics from the University of Wisconsin at Madison in 1997. He started his professional career as a postdoctoral fellow at the National Center for Toxicological Research, USA. He became an assistant professor in the medical school in the University of Texas at Houston in 2000. In 2001, Dr. Kang went back to Korea to continue his research and education career. His research interests include the categorical data analysis (especially exact tests) and statistical methods in clinical trials. Dr. Kang has been teaching three Ph.D. students who are statistical reviewers in Korea Food and Drug Administration since 2006.
